The Rosa J. Kolker Professional Development Series

Maryland Early Intervention Program: Early Identification and Treatment of Mental Illness with Psychosis

Presented by:

Pamela Rakhshan Rouhakhtar

Assistant Research Scientist,
University of Maryland Baltimore County

By understanding the earliest signs and symptoms of psychosis, human service providers can be better equipped to identify needs, avoid misdiagnosis, and connect individuals with appropriate evidence-based treatment.

Register by Wednesday, September 14: [HERE](#)

General Public: **\$50.00**

Jewish Day School Educators / JCS Retirees: **\$40.00**

JCS Staff, Board & Advisory Council Members, Staff of
Associated Agencies: **FREE**

Wednesday

September 21, 2022

1:00 – 3:00 pm

via Zoom Video Conferencing

2.0 Category I CEUs

As a result of this training, participants will:

- **Understand fundamental information about psychosis and psychosis-spectrum disorders**
- **Learn best practices around early identification and intervention for psychosis**
- **Learn methods, tools, and resources for psychosis screening and assessment**
- **Learn about Maryland Early Intervention Program (EIP)**

Jewish Community Services is approved by the Maryland Board of Social Work Examiners to sponsor Continuing Education for social workers (psychologists and licensed professional counselors).

Jewish Community Services maintains responsibility for this program and its content.

Funding for this series is made possible by a grant from **The Kolker-Saxon-Hallock Family Foundation**.
